Additional comments on First Aid rendered:

Nature of Incident:

Officers were dispatched to 2451 San Pablo Ave for a suspect involved in a dispute with the store owners, claiming an impending assault, and that the suspect may be intoxicated.

Summary and justification of the Actions of Officer(s) Involved:

I went to detain the suspect and verbally ordered him to stop. I went grabbed the suspects left arm and put his arm behind him. The suspect pulled away from me breaking my grip of him. Then the suspect clinched his fists, and took a fighting stance. After multiple verbal demands, the suspect refused to comply with my orders. I eventually resorted to a half-second burst of OC to the suspects' face. The suspect wiped off the OC, turned around, and began fleeing from the scene (IFO 2431 San Pablo Ave). I re-encountered the suspect approximately 20 yards north of 2431 San Pablo, and I again sprayed another half-second burst towards the suspect, however it missed the suspect. The foot chase continued to San Pablo and Channing Way (2400 San Pablo Ave). At the NE corner the suspect stopped and faced me. I sprayed a third, and final half-second burst of OC to the suspects' face. The suspect turned away. At this time additional officers arrived. The suspect continued to physically resist arrest, however after a period of time with additional officers help, the suspect was detained in handcuffs. Further investigation revealed the suspect had attempted a robbery of 2451 San Pablo Ave.

BFD was immediately summoned for an OC exposure washdown.

Additional comments on First Aid rendered: The Berkeley Fire Department arrived on scene and treated both CONTRERAS, A. and CONTRERAS, J. for OC exposure and minor abrasions.

Nature of Incident:

Narcotics investigation.

Summary and justification of the Actions of Officer(s) Involved:

I stopped (4) subjects as part of a narcotics investigation. One subject said he had identification in his possession but refused to provide it. He began fighting with BPD officers when I attempted to place him in handcuffs. I gave the subject a verbal warning to stop fighting or I would pepper spray him. He continued physically resisting so I deployed a ½ second burst of OC which was effective, as he immediately stopped fighting. I then assisted BPD officers who were fighting with a second subject from the group. He was physically resisting attempts to secure him in handcuffs and refused to give us one of his hands, which was near his waistband. I deployed a ½ second burst of OC on the second subject which was effective, as he immediately complied.
